About us, who we act for and the services we provide

We are an underwriting agency dealing in specialist strata insurance underwriting. We hold an Australian Financial Services License No 491113 (AFSL) issued by the Australian Securities and Investments Commission (ASIC) under the Corporations Act 2001 (Cth). The License allows us to provide general advice on and deal in General Insurance products and provide claims handling and settling services. We offer a residential strata insurance policy.

We are a wholly owned subsidiary of CHU Underwriting Agencies (ABN: 18 001 580 070) (AFSL No: 243261) (CHU). CHU is a wholly owned entity of Steadfast Group Limited, ABN 98 073 659 677 (SGL).

Steadfast Group Limited (ABN 98 073 659 677) (‘SGL’) has a shareholding in CHU Underwriting Agencies Pty Ltd. Some of the brokers we deal with may be SGL subsidiaries or associates. We have access to shared services from SGL. These include (but are not exclusive to): model operating procedures, manuals, legal, technical, HR, compliance, sum insured and product comparison tools; insurance cover placement and claims support; group insurance arrangements; and group purchasing arrangements. These services are funded by SGL, subsidised by SGL or SGL receives a fee for them.

QBE Insurance (Australia) Limited ABN 78 003 191 035 (QBE) – CHUISAVER has an arrangement with QBE where CHUISAVER distributes general insurance products issued by QBE and branded Flex Insurance. The products are distributed under CHUISAVER'S licence by CHUISAVER'S representatives.

Our Binder

We act under a binder agreement on behalf of the Insurer, QBE Insurance (Australia) Limited ABN 78 003 191 035 (AFSL No 239545) (QBE) when providing financial services to you. This means that we act for QBE and not you. This binder allows us to accept your application for insurance as if we are the Insurer.

We are authorised to deal in and provide general advice in relation to general insurance products for retail and wholesale clients. To assist in your decision-making, we will give you information about the insurance product by providing you with a Product Disclosure Statement (PDS).

In some cases, we may make a general recommendation or give a factual opinion about the insurance policy (General Advice). We do this without considering your specific individual objectives, financial situation or needs.

Product Disclosure Statement

If we offer to arrange an insurance policy for you, we will also provide you with a Product Disclosure Statement (PDS). The PDS will contain important information about the particular policy, which will assist you in making an informed decision about whether to purchase the policy.

The PDS is an important document. You should read it carefully to decide if the product features suit your objectives, financial situation and needs before making a decision about the insurance product. Please keep the PDS in a safe place for your reference and for any future dealings with us.

Premiums, Commissions, Financial Incentives/Benefits, Fees and Remuneration

Premium

When we issue you with an insurance policy, you will pay a "premium" based on our assessment of the risk profile you have provided. The total amount you pay is the premium, which includes any government taxes/duties/levies such as GST and stamp duty and an administration fee if applicable.

When you pay your premium to us, we will retain our commission (see below) from the premium you pay and remit the balance to QBE. We will earn interest on the premium whilst it is in our account and earn a return. We will retain any interest earned on the premium.

You can choose to pay the premium by any of the payment methods set out in your invoice. You are required to pay us within the timeframe set out in the invoice.

Commissions, profit share and other financial benefits/incentives

QBE pays to us a commission for each policy issued or renewed. The commission amount is 12.5% to 30% of the base premium paid by you (excluding any government taxes, duties and levies). The commission amount is included in the total amount you pay for your policy and not in addition to the policy.

QBE Profit share

We may receive from QBE, a profit share, which is based upon QBE'S underwriting profitability on the CHUISAVER'S portfolio of policies. Due to the contingent nature of insurance and the way the arrangement is set up, it is not possible to know the exact amount, if any, to which we may be entitled until the end of the qualifying period.

Administration fees

We will charge you an Administration Fee for each policy issued or renewed. This fee is charged in order to meet our costs to prepare and distribute documents. The exact fee amount is noted separately on your invoice and will vary depending on the product purchased and how you elect to receive your policy document. We can tell you the exact fee at the time you contact us. The Administration Fee is not refundable in the event of cancellation unless we cancel the policy either within the cooling-off period or it is a full-term cancellation.

Remuneration of employees

We pay to our employees (who will assist you with your insurance needs) a market salary. They may also earn an annual bonus or other incentives based on achievement of a broad range of CHUiSAVER's goals, including financial targets and individual performance through the delivery of CHUiSAVER's values and high levels of customer service. Staff are not incentivised through any sales targets at CHUiSAVER.

Referrals

If you have been referred to us by a third party we may pay the third party commission of up to 20% of the base premium (excluding any government taxes, duties and levies) for each policy issued or renewed. The commission will be set out in your invoice. The commission amount is included in the total amount you pay for your policy and not in addition to the policy.

You may request particulars of our remuneration, commission, fees, profit sharing and other benefits, including to the extent relevant, a statement of the range of amounts or rates within a reasonable time following receipt of this FSG and before we provide any financial service to you.

Conflicts of interest

We take any potential, apparent and actual conflicts of interest seriously and have a conflict of interest policy. Conflicts of interest are circumstances where some or all of your interests are or may be inconsistent with or diverge from some or all of our interests. We manage conflicts of interest through adequate controls, disclosure and avoidance. We also provide training to our employees to identify conflicts of interest and encourage the early reporting of potential conflicts of interest.
